CACTIxT is a CACTI-compatible extension derived in part from the CACTI and FinCACTI source codes.

CACTI portions: Copyright (c) 2015 Hewlett-Packard Development Company, L.P. All Rights Reserved.

FinCACTI/PCACTI was developed by: Alireza Shafaei, Yanzhi Wang, Xue Lin, and Massoud Pedram, Department of Electrical Engineering, University of Southern California.

CACTIxT modifications and extensions: Copyright (c) 2026 CACTIxT Authors. All Rights Reserved.

Redistribution and use of CACTIxT in source and binary forms, with or without modification, are permitted provided that the following conditions are met:

1. Redistributions of source code must retain the applicable copyright notices, this list of conditions, and the disclaimer below.
2. Redistributions in binary form must reproduce the applicable copyright notices, this list of conditions, and the disclaimer below in the documentation and/or other materials provided with the distribution.
3. Original CACTI copyright and license notices contained in files derived from or incorporating CACTI source code must be retained.
4. Modified versions of CACTIxT must be clearly identified as modified versions and must not be represented as official releases of CACTIxT, CACTI or FinCACTI.
5. Neither the names of Hewlett-Packard Development Company, L.P., the CACTI contributors, the FinCACTI and CACTIxT authors, nor their institutions may be used to endorse or promote products derived from this software without prior written permission.

DISCLAIMER
